Прочитайте текст и выполните задания ниже.

Hello I am Mary! I lead a busy life. I usually wake up at 7.30 am. I never have late nights. I always go to bed before 10 pm. When I go to school, I have a strict daily routine. My dad drives me to school. Lessons start at 8.30 am and finish at 2.30 pm. My brother picks me up from school and takes me home. Every Monday and Thursday, I have Spanish classes after school. On Wednesday and Saturday I play basketball. So I get home at 5 pm three times a week. In the afternoons, I do my homework and I read books or watch TV for half an hour before I go to bed. At the weekends, I go to the cinema with my friends or go on short trips to the countryside with my parents.

Поставить true (верно) или false(неверно).

1. Mary usually gets up at half past seven.

2. Mary's dad brings her at school.
3. She has Italian classes every Monday and Thursday.
4. She plays basketball on Wednesday only.
5. She stays at home at the weekends.

Sunday is always a perfect day for me. The best part about Sunday is that I get to sleep late! Before I get out of bed, I think about what I will do that day. Then, I get up and go downstairs where mum always has a big breakfast waiting for me. After breakfast, I take a book and go out into a garden. I sit and read for few hours and then I take my dog, Jeff, to the park for a nice long run. After that, I walk home and I go and have lunch with my family in our favourite restaurant. In the afternoon, dad takes us for nice long drives in the country. In the evenings, we all watch a film together and then we go to bed. Sometimes I think it's sad that Sunday only comes once a week.

Albert Einstein-A Great Scientist from the past.

The person I admire the most is Albert Einstein. He was born on 14th March, 1879, in the German town of Ulm in Württemberg. Einstein was the greatest scientist of all time. One of his most famous discoveries is the mathematical equation about the nature of energy: $E = mc^2$.

Einstein loved physics and learning. He never stopped exploring the world of science and he wrote many books and articles explaining his theories. Some of them are at the Institute of Advanced Study in Princeton.

People in universities all over the world respected Einstein. He was awarded with honorary degrees in science, medicine and philosophy. In 1921, he was awarded the Nobel Prize in Physics. Despite his intelligence, Einstein is also famous for being a very funny man!

I admire Albert Einstein for his love of learning and the fact that he discovered new things. He always kept his mind active.

1. What does Alice look like today?

Woman 1: Look at Alice. She's all grown up.

Woman 2: Yes, she looks very different.

Woman 1: She's beautiful! I remember when she was a little girl she used to have the cutest pigtails.

Woman 2: Do you remember how curly her hair was?

Woman 1: How can I forget? The only thing that is the same is her freckles.

Woman 2: Oh, yes. I loves her freckles!

2. What does Sally enjoy doing the most?

Boy: So Sally, how was your weekend? Did you go ice-skating like you said?

Girl: Well, I wanted to go with Ann, but she got sick. Besides, I'm not that fit, anyway. I prefer doing things that are more artistic.

Boy: Oh, you mean like painting?

Girl: Well, I find painting really boring. Actually, I'm really interested in songwriting.

3. Where did Lori and Kimberly go?

Lori: I had a great time, Kim! Thanks so much for inviting me.

Kimberly: Well, I'm glad you enjoyed it, Lori.

Lori: And I loved the costumes!

Kimberly: Yeah me, too! Cynthia Smothers was fantastic! She looked so big on stage in that costume!

4. What is Annabel's hair like?

Boy: Is that you, Annabel? Wow! I love your hair like that. It looks so much better long.

Girl: Thank you!

Boy: Your hair used to be straight, right?

Girl: Yeah, I got tired of my hairstyle and I wanted a different look.

Boy: Well, curly hair really suits you. You look great!

5. What do Emily and Gloria decide to do?

Gloria: I'm so tired of sitting around all day! Why don't we go out? We could see that new play at the Roundhouse? You know, the one that's won so many awards.

Emily: (hesitant) Well... I don't know. How about watching a DVD instead?

Gloria: But Emily, we did that last night.

Emily: Oh, yeah. Right. Um, what about the cinema, then? We could see the new James Bond film.

Gloria: OK. Great!

6. Who are Tara and Adam talking about?

Tara: Have you read the article about Philip Smith in the local newspaper?

Adam: Isn't he that famous doctor from Canada who moved to our town last year?

Tara: No! You're talking about Philip Austin! And he wasn't a doctor, he was an astronaut.

Adam: Oh, now I remember! Philip Smith is that young, creative artist. He's only eleven years old, right?

Tara: Yes, that's right!

Gulliver's Travels

Gulliver was born in a large family of a farmer. At school the boy learned well, so his father sent him to the University for three years. When the young man left the University, he worked with a doctor and learned the doctor's profession. Gulliver wanted to travel, so he decided to learn navigation too. After four years of hard learning Gulliver began to work on a ship as the ship doctor. One day, after many days of fine weather, there was a terrible storm. The ship broke to pieces and the people were drowned. But Gulliver could swim very well and he was not drowned. When he saw a shore which was very far, he swam to it. Gulliver was very tired. When Gulliver got out of the water he slept for many hours.

When Gulliver woke up, he found that he was in a country where very small people lived. The name of the country was Lilliput. The little people were afraid of the big man and wanted to kill him. But when they saw that Gulliver was kind and did not want to kill them they let him live with them. Gulliver lived there for two years.

After many adventures he got back to England.

The National Sport of England

Football is the most popular sport in England. In fact, a lot of English people say it is their national sport.

English people have played football for a very long time. However, the game didn't have any real rules until the 19th century. In 1815, Eton College created rules to make the game less violent and later, in 1848, Cambridge university made many of the modern rules. Football quickly became as popular as other games such as cricket.

Today, there are thousands of football clubs in England, and professional clubs, such as Arsenal, Liverpool and Manchester United are famous all over the world.

Football has become part of the cultural life in England and hundreds of thousands of fans support their favourite teams in stadiums around the country every weekend. Many English children have football lessons at school. And famous footballers, such as David Beckham and Michael Owen have become role models for a lot of these children.
